World Book Day

World Book Day was celebrated on 23rd April, 2018. The day marks the worldwide celebration of books and reading in over 100 countries all over the world. A host of activities were planned for the day, to grab the interest of the children, leading them into a world they haven't explored.

The day began with the activity **'Drop Everything and Read'(D.E.A.R.).** The Vice Principal, Mrs. Ritu Malik, teachers and even the Support Staff joined in for the reading activity. This was followed by a number of interesting and innovative activities. **Classes III–V** showed amazing creativity and made book marks of their favourite cartoon characters. They also wrote an inspiring quote on the same.

Classes VI-VIII spoke on their favourite character using relevant props. The senior students of **Classes IX & X** spoke on a character they found most intriguing. This special day encouraged children to explore the pleasures of reading books and give wings to their creativity.
